

Pets & Animals Evacuation Kit

Don't leave your animals behind in an emergency. This checklist provides essential gear for evacuating with pets or small animals. Prepare this kit in advance and keep it near your GoBag.

Pet Essentials

- Leash, harness, and collar with ID tags
- Crate or carrier (labeled and sized properly)
- 3-day supply of food and water
- Collapsible bowls or water bottle dispenser

Health & Sanitation

- Vaccination records and vet contact info
- Medications and dosing instructions
- Pet first aid kit (bandages, antiseptic, etc.)
- Poop bags, litter pan, scoop, and liners

Comfort & Identification

- Favorite toy or blanket (comfort item)
- Recent photo of pet (digital and print)
- Microchip registration number (if applicable)
- Spare collar and tag

Evacuation Planning

- List of pet-friendly shelters or hotels
- Pet emergency contact card (leave at home)
- Map with evacuation route including animal stops
- Carrier cover (reduces stress from light/sound)

Tips & Hints:

Keep your pet kit stored next to your GoBag or in the vehicle.

If you have multiple pets, label supplies clearly and prep one bag per animal.
